

Rex VT Pro

5MP H.265 Wi-Fi Pan & Tilt Camera

With 5MP/3K live monitoring and panoramic 0-355° pan & 0-90° tilt feature ,Rex VT ensures every corner of your home completely covered. It supports two-way video calls with a 2.4-inch screen. Two buttons on the side of the screen allow you to place and hang up video calls . Human/Pet detection quickly finds events in images and immediately sends a notification to you. With built-in siren, Rex VT actively keeps unwelcome visitors away from what you care about . Privacy Mode helps protect your personal privacy when you are home, and Smart Tracking function lets the camera follows moving objects when it detects motion. With 2000mAh built-in battery, it can continue working for 30 minutes after power unplug.
