

Lumo 1 Pro

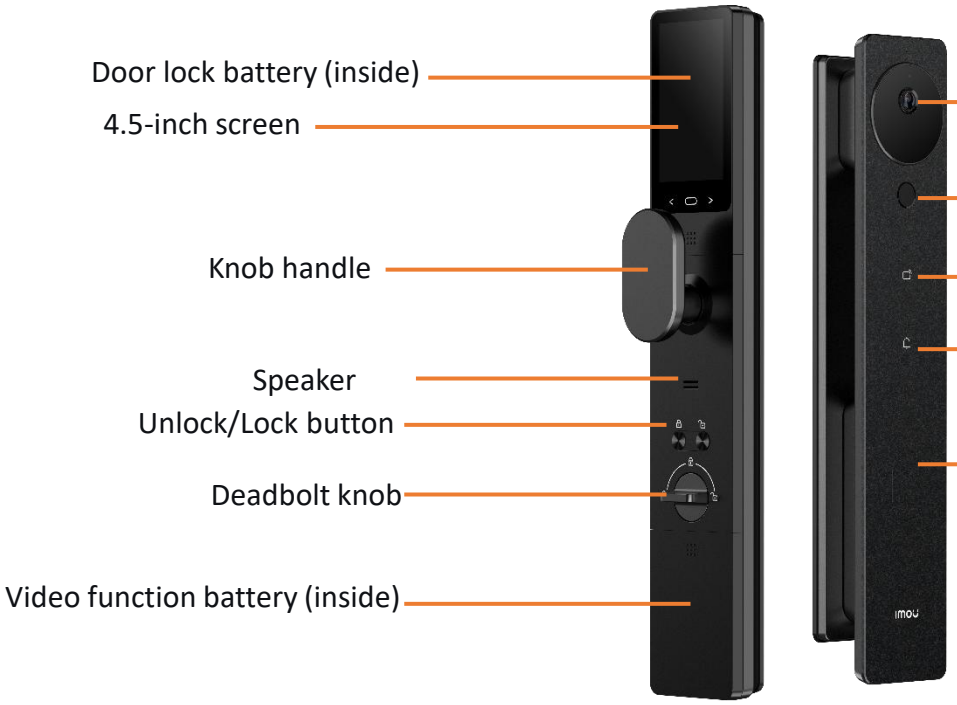

Imou 360 video smart lock

180° Full-View Camera: A 4MP fisheye camera captures every inch of your doorstep — clear detail, no blind spots.
Advanced 3D Facial Recognition: It verifies facial data via advanced Dual-IR flash sense 3D face algorithms for accurate Premium.
7-in-1 Multiple Unlock Methods: 3D Facial ID, Fingerprint, Dummy Passcode, Mechanical key, Card, APP, Voice Assistant.
Dual-Battery Power: Two high-capacity rechargeable lithium batteries (5,000mAh + 5,200mAh) power the lock and the video functions independently.
Understated by Design: A stone-textured finish and a clean, flush profile — quiet luxury that belongs on your door.

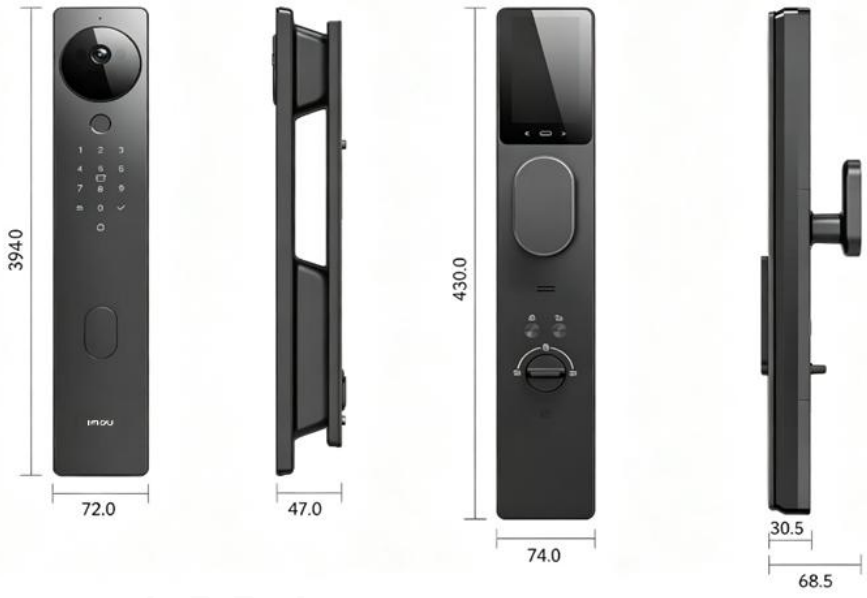

Specifications

Color	Black
Lock Body	6068 mm
Supported door thickness	40–100 mm
Working environment	-10°C~+55°C,3%~95%RH
Camera Specs	2K resolution, 180° field of view
Real-Time Outside View	By rear screen / Imou Life
Video recording Playback	Local & Cloud playback
Unlocking methods	Face recognition, Fingerprint, Passcode, video call unlock via app, One-time Passcode, Periodic passcode, Card, Mechanical key, Voice(via google assistant/Alexa)
Face ID capacity	50 sets
Passcode capacity	50 sets
Fingerprint capacity	50 sets
Card capacity	50 cards
Speaker	Built-in
Emergency charging	Type-C Port

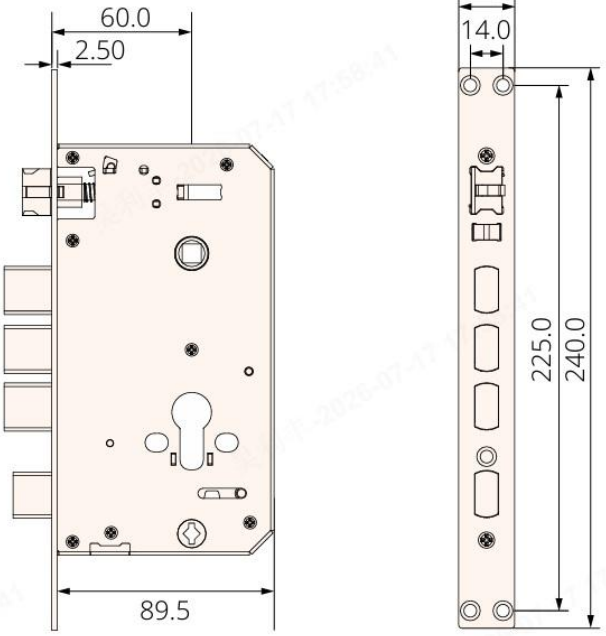

Panel material	Alloy steel
Battery Capacity	5000mAh lithium battery for the unlocking function; 5200mAh lithium battery for the video function.
Face Recognition Height Range	1.2–2.0 m
Face Recognition Distance Range	0.4–1.0 m
Face Recognition Time	< 2 s
App	Imou Life (iOS, Android)
User management	✓
Real-time notification	✓
Low-battery notice	✓
Volume adjustment	✓
Device sharing	✓
OTA update	✓
High-Temperature Alarm	✓
Tamper Alarm	✓
Charging port	Type-C Port
Certification	CE
